

**ReNew Consignment & Thrift**  
**Clothing/Accessory Consignment**

Customers are limited to 10 items per day.

Most clothing is priced affordably. We price all clothing items from 1.00 to 10.00. There are exceptions for especially pricy brand names. If you have clothing that is valued at a higher amount, the pricing of these items will be negotiated at time of drop off.

Items are consigned for a period of 60 days. After the item has been in the store 30 days we reduce the price by 20%. This reduces the amount you receive by 20% as well. After 60 days your items become “donations”, and you may receive a donation receipt for these items. Any items with special terms or conditions must be specified as such prior to beginning of consignment period.

When bringing in clothing to consign, we ask that these items be in near new condition. they must fit the following criteria

No stains

Odor free

Freshly laundered and placed on hangers

All buttons, zippers and any other fasteners intact and in working order

All items must be in season

Clothing donations are limited to 10 items per person per day
